Subject:- Motor Spirit Rationing in French India establishment of reciprocal arrangements.

Sir,

I am directed to state that the authorities of French India have introduced a motor spirit rationing scheme which is substantially the same as that in force in British India, and that reciprocal agreement has been reached whereby coupons issued by Rationing Authorities in British India and Indian States will be valid in French India and vice versa. It is, therefore, requested that all Rationing Authorities in the Province of Madras may be informed accordingly and all Bengal etc. dealers and other suppliers may be instructed to honour French Indian Coupons.

2. Coupons issued in French India will be marked "Valable dans l'Inde Britannique - Valid in British India".

His Excellency the Governor of French India has requested that any such coupons presented to dealers in British India may be collected and sent to him in due course for verification. It is suggested that this should be done after they

have been surrendered by the dealers to the suppliers, and the suppliers have passed them on to Provincial Rationing Authorities in company with others for destruction under Clause 31

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Secretary to the Government of India.
